Frequently Asked Questions

Q1: What is the difference between the Classic menu, Deluxe, Exclusive, and Royal menus?

Ans: The menus feature a variety of options, including appetizers, vegetable entrées, curry entrées, rice entrées, desserts, and more. Premium menus offer a greater selection of high-quality dishes and a broader range of choices.

Q2: Can I mix dishes from the standard, Deluxe, Exclusive, and Royal menu?

Ans: You can mix dishes from different menus in all packages except the Standard menu.

In the Deluxe menu: You can select one appetizer and one curry entrée from the Standard menu.

In the Exclusive menu: You have the option to choose one appetizer, one vegetable entrée, and one curry entrée from either the Standard or Premium menu. You can also select one rice entrée from the Premium menu. Additionally, you will enjoy two bbq grill entrées and two desserts.

In the Royal menu: You can mix and match from a wide array of options. You can choose three appetizers, one vegetable entrée, one curry entrée from the Premium menu, one curry entrée from the Standard menu, and one rice entrée from the Premium menu. Furthermore, you can savor two bbq entrées and two desserts.

Please note that the Standard menu does not allow for mixing dishes, while the higher-tier menus provide greater flexibility and variety.

Q3: What additional options are included in the Deluxe, Exclusive, and Royal menus?

Ans: The Deluxe, Exclusive, and Royal menus offer enhanced choices and options. In addition to the items included in the Standard menu, these higher-tier menus provide access to premium appetizers, curry entrées, rice entrées, desserts, and additional items like BBQ entrées, naan, salads, chutneys, and raita.
